W.Sulewski,KURIER POLSKI,April 6.1970 on Suchasnist

The author of this article attacks Suchasnist, its editor Wolfram Burghardt, and two of its regular contributors - Myroslaw Prokop and Eugene Wreciona. W.Sulewski writes that although Suchasnist is on a more sophisticated level than Shlakh Peremohy and Ukrainski Visti, it, nevertheless, propagates the same Ukrainian nationalism. The author stresses the subtle and treacherous character of the journal which is directed at the "softening" of the socialist camp. In this respect this journal could be compared with the Polish monthly published in Paris - Kultura. Sulewski mentions "Ukrainian Society for Foreign Studies" in Munich as publisher of Suchasnist and calls it " a very strange institution".
